DBHDD

Since opening in 1974, West Central Georgia Regional Hospital (WCGRH) has stood as a beacon of hope for consumers in need of mental health, developmental disability and addictive disease services in the west central region of the state of Georgia.

We invite you to join our team of mental health care professionals. The Georgia Department of Behavioral Health and Developmental Disabilities offer a generous and competitive benefit package and a challenging career opportunity.

We are recruiting for the following hourly/temporary job opportunities:

Health Care Worker

Experience in performing nursing care activities to include but not limited to basic nursing procedures and training for patients/consumers in an inpatient hospital unit or inpatient community-based program.

Licensed Practical Nurse (LPN)

A current Georgia License to practice as a Licensed Practical Nurse is required. Experience working with adult psychiatric clients is preferred, but not required.

Physician

Graduation from a medical school recognized by the Composite State Board of Medical Examiners. Licensure to practice medicine at a state institution or in the state of Georgia as provided by state law is required. (interim).

Registered Nurse (RN) (several positions available)

A current Georgia License to practice as a Registered Professional Nurse is required. Experience working with adult psychiatric clients is preferred, but not required.
